

RULES

Summer Ladder 2024 (Fast 30 Format)

6 weeks from 7/11/2024 to 12/12/2024

1. Each match will have a 30 minute time slot with a 2 minute warm-up and a 2 minute break within the 30 minutes.
2. The matches will be scored with the Point A Rally System as one continuous game and the person with the most points at the end of the 30 minutes wins. This is the last score called **before** the bell has rung. In the event of a tie, the winner of the next or current rally wins. Apart from the continuous scoring, all the usual Squash Singles rules apply.
3. The winner moves up 3 and the loser does not move so enter the score as 3-0 on the submit score sheet.
4. The bell gets rung every 30 minutes - If your name is highlighted on the draw, you need to ring the bell for the start of your round unless there is a dedicated Ringmaster*. Players break around 15 minutes or when required! The bell will ring at 15 minutes also if a Ringmaster* is on duty.
5. Courts will be assigned to players for each time slot so make sure you are there on time as you will only have until the next 30 minute bell rings.
6. When you have completed your game, the winner goes to the bar and the other player straight up to mark the next game.

*The Ringmaster sets the egg timer for 15 minutes at a time then rings the bell accordingly.

Please let me know if you can volunteer for a few hours as Ringmaster on any of the 5 remaining weeks.
